

*"I have never felt that God loves and wants to use me more than when I'm at camp. I have never experienced a loving community like ELBC, and when I think back on the summer it makes me earnestly strive for more in my current spiritual life and church involvement."*

## Statement of Purpose

The purpose of Echo Lake Bible Camp is to use the camp setting to minister to the spiritual, social, physical and emotional needs of campers, and show the love of Jesus Christ both by word and actions through surrendered lives.

It is our desire to serve the local evangelical churches by complementing their mission through a ministry focused on evangelism, personal growth and leadership development.

Bible Camp

**Echo Lake Bible Camp** is located an hour and a half northwest of Prince George, between the towns of Vanderhoof and Fort St. James.

**ELBC serves young people** between the ages of 5 and 17 with ten camp sessions during July & August. Camp hosts up to 72 campers per week - many of whom have never had exposure to Jesus and His love. Camps are generally from Monday to Saturday with the exception of Discipleship Camps (2+ weeks long) and Rookie Camp (3 days long).

**As a faith-based mission**, Echo Lake Bible Camp is run on a volunteer basis. Many of our summer staff team are college and University Students who forgo the opportunity of employment during the summer in order to serve and minister at camp. As a means of blessing and encouragement, ELBC has set up a Staff Bursary Fund to assist students with their financial needs. Contact the Camp for more info.

In addition, we encourage our summer staff to gather a partnership team to uphold them and the camp in prayer during the summer.

## Cabin Leaders

...are the heart of the camp, as they build friendships with their campers. Their role also involves leading cabin devotions, teaching Bible lessons, and instructing skill activities, such as kayaking, canoeing, archery, targetry, drama, crafts, survival skill, campfire cooking, nature exploration and rock climbing.

### Staff Training

begins at the end of June and provides about a week of orientation, training, and preparation.

We also need **program staff** to serve school groups and church group throughout June.

For those who prefer a more **practical** opportunity to serve, ELBC welcomes individuals or groups to help with **short term maintenance** and **site development**.

### Join the Adventure!

Since the early 1970s God has used ELBC to introduce boys and girls to Jesus Christ. Camp Ministry provides an incredible opportunity for children and young people to be exposed to and impacted by the Lord Jesus and His love, as they experience Him through creation, through the lives of the staff, and through His Word. Each summer ELBC hosts around 400 campers.

If you have a desire to know God, and a willingness for Him to use you in loving children, then being at camp this summer could be a time of real purpose and significance both in your own life and in the lives of campers. Imagine Jesus expressing His heart, saying "I want to love these kids, but I need a body. Can I work through yours?"

*"Camp was the best thing that could have happened to me this summer. It brought me right back to where I wanted to be with God, and the children challenged me to go way deeper than I ever wanted to before."*

**- Hannah -**

*Camp provided a God-centered community where I could sense God close beside me. I learned to rely more on His strength, rather than my own.*

**- Adam -**

*God doesn't limit Himself to who He works through. It is special thing to see Him working in ways we could have never produced ourselves.*
